

3-INCH METAL INSULATION PLATE

3-Inch Metal Insulation plate - 1000 / Pail

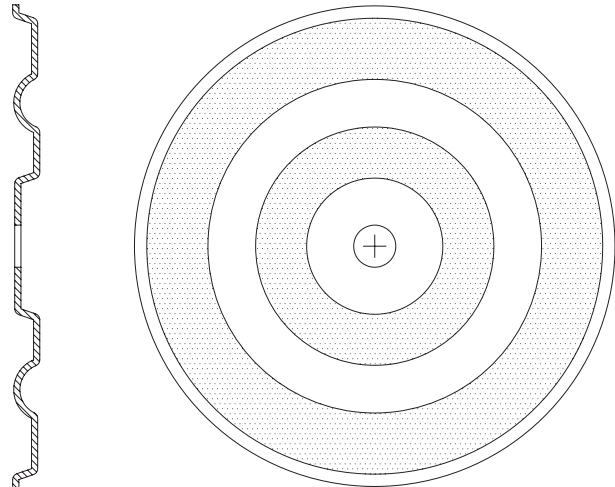

Order No. F1060

DESCRIPTION

The Soprema 3-Inch Metal Insulation Plates are engineered to provide exceptional performance in a variety of attachment applications including: thermal insulation, cover board and base sheet(s) securement.

The Soprema 3-Inch Metal Insulation Plates offers these advantages:

- Economical, labor saving installation process
- Increased insulation, coverboard and base sheet rupture performance (pull-over)
- Included in Soprema Project Warranty Agreement offerings
- Soprema supplies warranted insulation plates or pre-assembled insulation/fastener plates, based on the contractor's preferred requests
- See current FM Approvals, ICC/ES, Florida State Wide Product Approval and Miami-Dade County
- Product Approval for Approved Roof Assembly combinations

COMPOSITION & PACKAGING

Soprema 3-inch insulation plates are manufactured from heavy gauge galvalume with specially designed reinforcing ribs which increase the performance value of the plate in uplift situations.

WARRANTY

Soprema supplies 3-inch insulation plates to authorized Soprema roofing applicators and are included in Soprema Project Warranty Agreement offerings.
